About The Company

Creative Trade and Export Pvt. Ltd., founded in 1995 by Mr. Om Prakash Kochar and Mr. Amit Kochar, has established itself as a leading manufacturer and exporter of writing instruments in India. With decades of industry experience and strategic foresight, the founders have successfully expanded the company's reach, specializing in adapters, ball pen tips, writing ink, wax, and sketch pen filters.

Our advanced manufacturing facility in Kolkata, India, spans 20,000 square feet and operates with cutting-edge technology from Korea, Japan, and Germany. We maintain the highest standards of quality control to ensure that our products consistently meet market demands for innovation and precision.

At Creative Trade and Export, we are committed to offering the best quality products at the most competitive prices. Our fully automated production facility, combined with a dedicated R&D team, allows us to continuously enhance our product line while keeping costs affordable for our customers.

Customer satisfaction is at the heart of everything we do. We pride ourselves on delivering exceptional service and maintaining a customer-first approach, ensuring that each client's needs are met with precision, reliability, and care. Our global reputation is built on timely deliveries, superior quality, and the trust we've earned from clients worldwide.

We are also honored to be the sales channel partners for Indian Writing Instrument (IWI) and Smoothline Writing Instruments, serving a broad range of esteemed companies both in India and across International markets.
